Some of the many things experienced and learned in the Bible School:

1. To look away from the weakness of self to the strength and power of Christ.
2. A deeper truer love for the Word of God, as well as a greater desire to know its truths and to obey them.

3. How to rightly divide the Word better in respect to Jew, Gentile and Church.
4. A stronger faith in the Word and in Christ our Lord and Master.
5. A broader and more firmly settled Christian experience.
6. A greater appreciation of the power of prayer and the need of more earnest prayer to God our Father.
7. A deeper love and passion for dying souls.

We thought you might be interested in a look at a B. I. paper from yesteryear. The above is an exact reproduction of the front page of THE MONITOR published May 2, 1908. The original copy was hand written in black ink, then placed in the Library for everyone's use. The papers are now kept by Mrs. Ramseyer and were loaned to the Paper Staff to look over. Would you like your paper staff to put out one copy as was done 41 years ago? I don't know about you, but I know our staff would rather like the idea. If it weren't for your 65¢ you might be going to the Library to read THE School Paper.
