### **ABOUT REUNION WEEKEND**

*ALL are welcome. Reunions planned — Class of 1968 50th, Class of 1958 60th, and Others*

The goal of the Alumni Center is to care for our alumni through connecting and celebrating. Reunion Weekend provides the opportunity to care for all our alumni and celebrate very special times like the 50th class reunion, and many others. It is a time of reconnecting. We make sure that there is ample time for talking and catching up. And as always, check out the website to find the most current information.

### **REGARDING REGISTRATION**

Registration fees cover costs incurred for printing, postage, facilities rental and other things essential to run this event. It is helpful to know well in advance those who are coming. Starting last year we offer three registration options:

Early Bird Registration: a 30% deduction of the regular registration Deadline: August 13

Regular Registration: Deadline: September 13

At Door Registration: a 20% increase of registration fee and a risk that meals may not be available

### **REGARDING MENUS**

To the best of our abilities, we have tried to create menus accommodating both vegetarian, gluten-free and diabetic-sensitive diets. If you question whether the meal will meet those dietary needs, please feel free to bring your own meal and join us. Friday Evening meal diabetic dessert option for those needing it. ### **CLASS OF 1968 50th REUNION FURTHER ACTIVITIES**

At the request of many of the Class of '68, many activities will continue after the formal closing of Reunion Weekend. Among the ideas being discussed are a Saturday night meal with friends at a local restaurant of their choice, an informal fellowship time on Saturday night, and on Sunday, a continental breakfast and an informal time of worship. The locations for these events will be announced, but will likely be centered at the Alumni Center and the former campus. Details will continue to be updated online at
